AC AUTOPAY

AC AUTOPAY's acquisition program assists auto loan originators better manage their consumer auto loan portfolios, primarily through the "Bulk Acquisition" of auto portfolios along with custom "Payment Stream" and "Floor Plan" financing options. Unlike other acquisition companies that only purchase performing accounts, AC AUTOPAY has the flexibility to price and purchase all accounts in your portfolio, regardless of status. AC AUTOPAY purchases portfolios from credit unions, banks, independent finance companies and dealerships nationwide.

Spartan Financial Partners

Spartan Financial Partners specializes in providing capital solutions for BUY HERE PAY HERE dealers and Independent Auto Finance companies. We accomplish this in two ways by Bulk Acquisitions and Lines of Credit. Through a Bulk Acquisition, we purchase all or a portion of a dealer's portfolio; this allows for a quick cash injection into the dealer's business. Whereas, a Line of Credit is secured by the dealer's auto receivables; this allows for portfolio growth while the dealer continues to service their customers. Our goal is to understand each client's capital needs and provide a customized solution to match their objective.

U Drive Acceptance Corporation (UDAC)

U Drive Acceptance Corporation (UDAC) was formed for the purpose of originating and servicing primarily subprime automobile loans with a geographic focus on the mid-western states of the USA. U Drive Acceptance Corporation is a culmination of 25 years of business in the subprime auto loan business. The company was created as the related finance company to its sister company New Start Financial that has been in business since 1990. The company has grown to become an auto financing source for both franchise and independent dealers in the Midwest that seek to secure financing for customers that fall in the non-prime category. UDAC's reputation for local service and customer support has gained us market share in the four states we currently operate in, Iowa, Minnesota, South Dakota and Missouri.
